Felix Family Thailand - Surat Thani

A year goes fast, and many things are happening. So it is in the Felix Village. Our children grow up, and our parents often have the privilege to be happy over their children's progress. Fine reports from teachers in the school come home to the parents. Children and young people begin to plan for their life and what they want to do. They have a hope for the future! For that, you fine and faithful donors are an important part. The parents are there for the children. They are there to give comfort, guidance and encouragement. But, the economic support from you, we could not do without.

Much has happened during the year. We have welcomed a new family into the Felix Village and new children have moved in. When we look at our children we often think of what would have become of him or her if it were not for the new family. Where would they be? At the same time, we are reminded that we need to continue to save more children. In Felix Village, we can bring more children into the seven family homes.

Felix Village celebrates Christmas in the family and with the families. In churches, they have Christmas parties and the children receive a Christmas present. For some children, it is the first time receiving a Christmas present. We have many young children in the Felix Village and they think it's exciting to pull the strings and squeeze the packages.

Are filled with children telling the story about the power of love and faith. There is joy and hope. To some extent we see some sponsors' worries but also a generous flow of resources from others. There is food and clothing, schools and the care that the children need at Felix Villages.

The draught of last summer was demanding for the farm involving the cows and the crops. We have lost 80 % of the expected crops, and many farmers in the area are suffering after the long and hard dry summer. Marcel Filip and the fine executive leaders and parents do a splendid job.

As we get closer to celebrating one of the most beautiful holidays - the birth of our Savior - our grateful thoughts turn towards you, the people who helped joy and hope find its place in the hearts of the children at Caminul Felix.

For a few more children that came to Caminul Felix during this year, this Christmas will probably be unforgettable. It will be the first Christmas that they will spend in the warmth of a home, with the love of a family, but also with the

presents they once only dreamed of.

Thank you for being there for us, for bringing smiles, through what you do, on the faces of so many children and joy in many hearts. May joy be with you and all your loved ones every day!

Perhaps you still don't know what you want to give or wish for Christmas. Why not give the gift of a sponsor's commitment for a child.

Sure, it's fun to get presents, but soon we forget what we received. Investing in a sponsorship commitment or a donation will never be forgotten.

If you want to give a donation from yourself or want to give in another's name, you may do so. You are welcome to contact us if you have questions.

We will be glad to help you.
Your gift is important!
